Crue Northerner. KOONS & ROSSEAU

PAW PAW, MICHIGAN, SEPT. 29, 1876.

With a Civil-Service organized upon a system which will secure purity, experience, efficiency, and economy, a strict regard for the public welfare solely in appointments, and the speedy thorough, and unsparing prosecution and punishment of all public officers who betray official trusts; with a sound currency; with education unsectarian and free to all; with simplicity and frugality in public and private affairs; and with a fraternal spirit of harmony pervading the people of all sections and classes, we may reasonably hope that the second century of our existence as a nation will, by the blessing of God, be pre-eminent as an era of good feeling and a period of progress, prosperity, and happiness. -R. B. Hayes's Letter of acceptance.
